### About

Compass Point is an exciting range of wines that takes you on a journey through some of the best grape growing regions around the world, each one carefully selected to showcase the essence of its varietal style and origin.

### Winemaking

Encapsulating the very essence of what gives Australian family-owned wineries a great reputation today, the wine is made by a thriving family owned winery in South Australia who have built an enviable reputation for consistently making quality wines that are generous in flavour and superbly drinkable. Grapes were selected from vineyards across the region with the natural variation that occurs between the vineyard sites and soil types producing parcels of fruit that are distinct in their aroma, taste and texture. They were machine harvested at night when they were at their optimum maturity. The harvested grapes were carefully vinified and given a short time in oak to produce a wine that is fresh and lively with good fruit characteristics.

### Tasting Notes

### About

Compass Point is an exciting range of wines that takes you on a journey through some of the best grape growing regions around the world, each one carefully selected to showcase the essence of its varietal style and origin.

### Winemaking

Grapes are carefully selected, harvested and pressed immediately to preserve flavour and colour. The wine is fermented at 14°C and arrested at the right moment to assure a good natural structure. As a result, the wine tastes fresh and luscious with good fruit flavours. Located in the northern part of California's Central Valley, Lodi is recognised for its unique and distinctive quality Zinfandel wines. Noted for its classic Mediterranean climate and distinctive sandy soils, this region is perfectly suited for premium wine growing and the production of world class wine.
